

KSM PROJECT SEABRIDGE GOLD

The 2017 Seabridge Gold –KSM Project Fall Bursary Application

Seabridge Gold owns the KSM Project, a proposed gold, copper, silver and molybdenum mine, located 65 north of Stewart, BC. The KSM Project will employ approximately 1,800 people during its 5-year construction and approximately 1,040 jobs during its 52-year mine life. While construction has not yet started on the KSM Project, Seabridge Gold supports building a strong workforce in northwest BC and finds value in supporting local residents to further education and training. As a result, Seabridge Gold-KSM Project Fall bursary program is available to provide financial support towards education and training for students from northwest British Columbia (BC).

If you are a resident of northwest BC (defined as west of Burns Lake and north to the Yukon border), are enrolled in studies for fall 2017, and are interested in applying for this bursary please read and complete the following application. Applicants must complete all seven sections, and provide the specified documentation, such as proof of enrollment and support letters among others. Each section of the application will be reviewed and scored, the successful recipients will be notified approximately three weeks following the submission deadline. This is the fall round for the bursary program and is open to students enrolled in studies for the fall semester (September -December 2017) and will be announced Sept 15, 2017.
