

SEABRIDGE GOLD

Seabridge Gold Inc. is seeking a full-time environmental technician. This employee will be responsible for monitoring construction works and ensuring compliance with permits and best management practices. This position will be based at the KSM Project location on a 2/2 or 3/3 week rotation.

Job responsibilities include:

- Implementing Environmental Protection Plans (EPPs) and work plans to ensure compliance to applicable permits and best management practices, including recommendations to resolve non-conformances
- Monitoring work activities as they relate to environmental protection and compiling reports to document activities
- Reviewing and directing contractors in the installation of erosion and sediment control measures
- Supervising soil salvage and handling procedures
- Monitoring water quality as required
- Assisting with spill prevention and response
- Attending project and safety meetings
- Promoting safety culture and complying with safety protocols
- Working collaboratively with the Seabridge Gold team, contractors and managing regulatory inspections.

Job Requirements:

- Minimum of two years experience as an environmental technician or inspector in a construction environment.
- Bachelor of Science degree in environmental science or related field.
- R.P.Bio, P.Biol., or equivalent registration with a professional regulatory body is an asset
- Thorough knowledge of construction site erosion and sediment control measures and BMPs
- Thorough understanding of applicable British Columbia environmental legislation, regulations, and policies to ensure project-specific compliance
- Ability to identify and mitigate issues rapidly to ensure compliance within an active construction work environment
- Strong analytical, problem-solving, and decision-making abilities
- Able to communicate effectively, both verbally and in writing
- Proven ability to work independently with minimal supervision
- Detail oriented with solid organizational and time-management skills
- Physically fit and able to work in all weather conditions, experience working in British Columbia an asset.
- Valid Class 5 driver's license

Please submit resumes by September 8, to ksmadmin@seabridgegold.com. Salary will be commensurate with the selected applicants experience.
