

SEABRIDGE GOLD

Seabridge Gold Inc. is seeking a full-time **Compliance Specialist**. Seabridge Gold was founded in 1999 and holds a 100% interest in several North American gold projects. Seabridge's assets include the KSM and Iskut projects located near Stewart, BC, the Courageous Lake project located in the Northwest Territories, the Snowstorm project in the Getchell Gold Belt of Northern Nevada and the 3 Aces project in the Yukon Territory. Seabridge strives to provide opportunities for people who have talent, passion and integrity and the desire to work within an organization that values and supports them. For further information on our company, please visit www.seabridgegold.com.

The Compliance Specialist is responsible for assisting our employees and contractors to advance the KSM Project. This includes monitoring construction works to ensure compliance with permits and application of best management practices, including making recommendations to resolve non-conformances. Tracking permit timelines and actions and manage permit conditions and commitments for compliance tracking and reporting.

Key responsibilities for this position may include but not limited to:

- Be familiar with and ensure compliance with project permits and best management practices.
- Manage permit and field data collection database systems
- Work with environmental monitors and Projects Teams to ensure relevant field data is collected.
- Prepare and manage reports for submittal to Indigenous and regulatory agencies.
- Engaging with indigenous communities and regulatory agencies

Education, Skills and Experience

- 3-5 years of experience as an environmental technician or inspector in a construction environment
- Bachelor's degree in science or related discipline
- R.P.Bio, P.Biol., or equivalent registration with a professional regulatory body is an asset

Strong analytical, problem-solving, time management and communication skills, flexible team player, willing and able to work on a wide variety of tasks

Location

Based in Smithers, BC. However, a remote work from home schedule will also be considered. Travel to Vancouver, BC, Smithers, BC and KSM Project site required.

Our Offer

- an exciting opportunity to contribute to the success of the business and reach your full potential
- competitive salary and performance-based bonus plan
- health and welfare benefits

Closing Date: November 22, 2021

Apply

We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, protected veterans' status, Indigenous status, or any other legally protected factors.

Please apply through email to hr@seabridgegold.com and attach your Cover Letter and Resume in Word or PDF format. Thank you for your application, however, only those selected for an interview will be contacted.
