

SEABRIDGE GOLD

Seabridge Gold Inc. is seeking a full-time **Manager of Environment**. Seabridge Gold was founded in 1999 and holds a 100% interest in several North American gold projects. Seabridge's assets include the KSM and Iskut projects located near Stewart, BC, the Courageous Lake project located in the Northwest Territories, the Snowstorm project in the Getchell Gold Belt of Northern Nevada and the 3 Aces project in the Yukon Territory. Seabridge strives to provide opportunities for people who have talent, passion and integrity and the desire to work within an organization that values and supports them. For further information on our company, please visit www.seabridgegold.com.

The Manager of Environment is responsible for assisting our employees and contractors to advance the KSM Project. This would include managing environmental staff, and contractors, and monitoring programs across a wide range of disciplines from water quality, hydrology, meteorology, geochemistry, archaeology among others. Engaging with indigenous communities and regulatory agencies is a key responsibility of this job. A willingness to research and learn a diverse field of scientific knowledge is required.

Key Responsibilities

Key responsibilities for this position may include but not limited to:

- Oversee environmental monitoring programs and data collection
- Manage environmental staff, consultants work scopes, budgets and schedules
- Engage with indigenous communities and regulatory agencies
- Manage environmental contracts
- Ensure compliance with environmental guidelines, permits and regulations

Education, Skills and Experience

- 10 to 15 years of environmental permitting and compliance experience related to mining, forestry or energy projects in BC
- Master's or Bachelor's degree in science or related discipline
- R.P.Bio, P.Biol. or equivalent registration with a professional regulatory body

Strong interpersonal, management and leadership, and technical writing skills Flexible team player, willing and able to work on a wide variety of tasks

Location

Based in Smithers, BC. However, a remote work schedule from home will also be considered. Travel to Vancouver, BC, Smithers, BC and KSM Project site required.

Our Offer

- an exciting opportunity to contribute to the success of the business and reach your full potential
- competitive salary and performance-based bonus plan
- health and welfare benefits

Closing Date: November 22, 2021

Apply

We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, protected veterans' status, Indigenous status, or any other legally protected factors.

Please apply through email to hr@seabridgegold.com and attach your Cover Letter and Resume in Word or PDF format. Thank you for your application, however, only those selected for an interview will be contacted.
