

SEABRIDGE GOLD

Seabridge Gold Inc. is seeking a full-time **Environment and Permitting Specialist** for our 3 Aces Project.

Seabridge Gold was founded in 1999 and holds a 100% interest in several North American gold projects. Seabridge's assets include the KSM and Iskut projects located near Stewart, BC, the Courageous Lake project located in the Northwest Territories, the Snowstorm project in the Getchell Gold Belt of Northern Nevada and the 3 Aces project in the Yukon Territory. Seabridge strives to provide opportunities for people who have talent, passion and integrity and the desire to work within an organization that values and supports them. For further information on our company, please visit www.seabridgegold.com.

The Environment and Permitting Specialist is a Yukon based position, responsible for assisting our employees and contractors to advance the 3 Aces Project. This would include researching permit requirements, preparing permit applications and engaging with indigenous communities and regulatory agencies to successfully acquire permit applications. Assist in the oversight of baseline environmental programs including water quality, hydrology, geochemistry, fisheries and wildlife among others, including managing environmental consultants work scopes, budgets and schedules. A willingness to research and learn a diverse field of scientific knowledge is required.

Key Responsibilities

Key responsibilities for this position may include but not limited to:

- Prepare permit applications
- Engage with indigenous communities and regulatory agencies to successfully acquire permits
- Track permit timelines and actions and manage permit conditions and commitments for compliance tracking and reporting
- Manage environmental contracts
- Manage environmental field data collection
- Ensure compliance with environmental guidelines, permits and regulations

Education, Skills and Experience

- 5 to 7 years of environmental management and permitting experience in the Yukon
- Bachelor's or Master's degree in science or related discipline
- Strong technical writing skills

Flexible team player, willing and able to work on a wide variety of tasks

Location

Remote – Home based position with the Yukon, with travel to Vancouver, BC, Smithers, BC and the 3 Aces Project location.

Our Offer

- an exciting opportunity to contribute to the success of the business and reach your full potential

- competitive salary and performance-based bonus plan
- health and welfare benefits

Closing Date: November 22, 2021

Apply

We are pleased to consider all qualified applicants for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, age, disability, protected veterans' status, Indigenous status, or any other legally protected factors.

Please apply through email to hr@seabridgegold.com and attach your Cover Letter and Resume in Word or PDF format. Thank you for your application, however, only those selected for an interview will be contacted.
