

KSM MINING ULC

To support the Seabridge Gold’s Sustainability Report, the Kerr-Sulphurets-Mitchell (KSM) Project permits are presented below, as of January 2023. The project permit list is not intended to be exhaustive or to provide a view of current activities on the KSM Project. Current KSM Project activities are outlined within the Project Overview/ Early-Stage Construction Activities on the KSM Project Homepage ([KSM Project Early-Stage Construction Activities](#)).

KSM Project Permits (Jan 2023)	
Permit Name	Agency
Provincial Permits	
Park Use Permit 105691 Unuk River	BC Parks
Environmental Assessment Certificate M14-01	Environmental Assessment Office
Free Use Permit G-100000153 Highway 37 Gravel Sources	Ministry of Energy, Mines, and Low Carbon Innovation
Mines Act Permit G-100000153 Highway 37 Gravel Sources	Ministry of Energy, Mines, and Low Carbon Innovation
Mines Act Permit M-245 KSM Mine	Ministry of Energy, Mines, and Low Carbon Innovation
Mines Act Permit MX-1-154 MTT	Ministry of Energy, Mines, and Low Carbon Innovation
MWR Registration 106809 Mitchell Operating Camp	Ministry of Environment and Climate Change Strategy
MWR Registration 106836 Camp 9 & Camp 10	Ministry of Environment and Climate Change Strategy
MWR Registration 106837 Camp 6	Ministry of Environment and Climate Change Strategy
MWR Registration 106839 Camp 5 & Treaty Operating Camp	Ministry of Environment and Climate Change Strategy
MWR Registration 106841 Camp 4	Ministry of Environment and Climate Change Strategy
Waste Discharge Authorization (Air) 106826 Mine Site	Ministry of Environment and Climate Change Strategy
Waste Discharge Authorization (Effluent) 106814 TWTP 6 MTT & ICEA	Ministry of Environment and Climate Change Strategy
Waste Discharge Authorization (Effluent) 106824 Treaty Creek	Ministry of Environment and Climate Change Strategy
Waste Discharge Authorization (Effluent) 108155 DKEA	Ministry of Environment and Climate Change Strategy
