

## Community Donation Request Form

At Seabridge Gold, we believe that being a responsible and welcome member of the communities in which we operate is an essential part of our business strategy. As part of our commitment to ensure local communities benefit from the KSM Project and 3 Aces Project, we regularly participate in multiple initiatives and events through sponsorships and donations.

### **3.0 COMMUNITY SPONSORSHIP AND DONATION POLICY:**

Seabridge Gold and its KSM Project are committed to being a valued partner in the communities in which we operate. We, therefore, support economic, social, and environmental initiatives undertaken by local communities, community groups, Treaty Nations and First Nations.

#### **Community Sponsorship and Donation Funding**

The objective of our community sponsorship and donation funding is to enhance the well-being of the communities in which we operate. Our priorities for donations are programs, projects and events which improve education, health, and recreation.

#### **Eligibility Requirements**

Preference will be given to local community organizations, activities, initiatives, or projects which can demonstrate that they have significant community support, clearly defined benefits to one or more communities and sustainable funding. Seabridge has a limited budget for sponsorship and support; funding is not open-ended. Donations are monitored to ensure effectiveness.

#### **Funding requests will be evaluated using the following criteria:**

- How accessible is the event/project to individuals in the region?
- Does the project/event deliver or support more than one community?

- Does the event/project promote the acceptance of mining in the community or help to develop skills or expertise in the community that could be needed by the Company?
- Does the project/event provide Seabridge an opportunity for positive PR exposure?
- Would this donation violate any of the constraints outlined in Seabridge's Community Sponsorship and Donation Policy?
